To whom it may concern:

Bill's Auto Electric has been using Autobahn Detail and Cleaning for 12 years.

On a personal level I have used them and have referred both customer and friends to them as well. Bill's Auto Electric and our customers and friends have been very satisfied with their service.

Max Mc Donald has always taken very good care of us and gone out of his way to make sure that we were well cared for. I would not hesitate to send anyone to Autobahn Detail for work or a specific job on their vehicle.

Sincerely, Don Bordessa owner
